# WELCOME

---

Pete Garcia Fabrications is a well established family of steel fabricators whose company based within the Tameside area are suppliers to the general public, companies, councils, hospital, schools, building companies etc. within the Greater Manchester, Cheshire, Yorkshire and Derbyshire areas.

We are members of the Tameside Councils Trading Standards Scheme 'Buy with Confidence' that has a strict and rigid acceptance criteria, thus giving customers the confidence they are dealing with a reputable and reliable company.

It is our policy to employ staff from the local community and offer schools/colleges the opportunity to send their pupils on work experience to our company.

All our staff both management and factory staff have vast experience within the steel fabrication industry and hold relevant qualifications to carry out their work safely and competently.

CHAS accredited, we have a well established and documented Health and Safety system in place. All members of our workforce that go on site at schools, public buildings and private dwellings have been CRB checked and cleared.

We offer quality bespoke metal gates, railings and all types of metal fabrications. We offer a free no obligation measuring and estimate service.

We maintain a high level of service from site /survey visit through to the manufacture and fitting of the products.

We have experienced fitting teams to carry out the installations to your requirements. Shot blasting and galvanizing of steel work can be provided upon request.

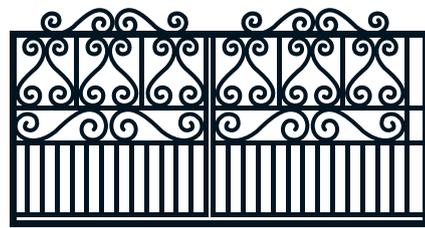

All our products come with a twelve month guarantee and if you are unfortunate to experience problems, we provide a speedy repair service.
